

Quick-by-step, paperless onboarding with Ami

Hi Insurance friend

Thank you for showing interest in becoming a broker with Ami. To become a broker with Ami, you must register (If not an existing Lombard Partner broker) on the Agencis IMS portal or log in and apply to be an Ami broker (for all current Lombard Partner brokers).

Also, The intermediary management system allows the intermediary to manage all regulatory requirements and responsibilities. The online process lets the you, the broker engage with all Partners

within the Lombard Group without repeating the application and approval process.

The platform offers verification and extraction of data from verified sources, cutting out the time spent on inputting data.

Agencis takes all requirements and processes relating to intermediary management and onboarding into a secure and verified digital environment.

Please see two options below:

Are you an existing Lombard Partner broker, looking to do business with Ami?

This means you have already signed up with Lombard or one of the Lombard Partners in the past. Great news! This speeds up the onboarding process even more.

- ☑ All you need to do is log into your portal [here](#) with your login credentials already created.
- ☑ It's as simple as that. You will get an onscreen notification that Ami has been notified of your request.
- ☑ Click on the Select Organisations tab, select Ami Underwriting Managers and simply click **NEXT**.
- ☑ The approval process will begin after which an addendum will be circulated, adding Ami to the original agreement you already have in place. The browser can then simply be closed (no need to resubmit the application).

Are you a new broker looking to do friendly, easy business with Ami?

We are very excited to connect and start doing business with you. The step-by-step online process is easy, digital and safe.

- ☑ All you need to do is make sure you have some accompanying forms on hand to submit.
- ☑ Please [click here](#) and select "Apply for Agency" to get started.
- ☑ This will begin the process of registering your credentials against your FSP, whereafter you can begin the application process.
